

Volunteer Friendly Business Awards

Purpose:

The **Volunteer Friendly Business Awards** program recognizes the generous contributions and support to the local volunteer community by St. Albert businesses.

As volunteer based agencies, we benefit from the support of local businesses in a variety of ways: from discounts to door prizes, in-kind donations, financial sponsorship, or volunteer assistance.

By showing appreciation for this support on a city-wide level, we hope to raise public awareness to the integral relationship between these two sectors of our community.

Every business that is nominated will receive a **Volunteer Friendly Business Award Certificate** from the Community Information and Volunteer Centre, on your behalf. These certificates will be distributed following **National Volunteer Week, April 27th to May 03, 2008.**

Nomination Procedure:

- Nominations must be made using the nomination form on the reverse. Photocopy as many as you require.
- Personal presentations will not be accepted.
- Please print or type the requested information. Be comprehensive, yet as concise as possible.
- The business you nominate will receive a copy of your nomination form.
- Certificates will indicate the name(s) of each organization nominating an individual business.

Criteria for Nomination:

- Nominated businesses must be:
 - located within the City of St. Albert;
 - have contributed to your organization from April 2007 to the present.
- Help us say "Thanks!" to our St. Albert business community. You may nominate as many businesses as you like.
